

Caribbean International Academy

Code of Conduct Form

Dear Parents and Guardians,

The school believes a strong positive partnership between home and school is essential to the academic success of your child. We also believe that strong support and encouragement from you will ensure that your child will work effectively and positively within the CIA environment. To that end we ask that you and your child read the student information handbook. The Code of Conduct and School Guidelines are intended to encourage the best in all of us as we work together towards academic success. Failure to abide by the CIA code of conduct may result in a student being asked to withdraw from the school. Thanks for your support.

Sincerely,
Tom Brownhill
Principal

Media Form

Dear Parents and Guardians,

The Caribbean International Academy will be designing new billboards, the website and other public displays in an effort to share our message with the island of St. Maarten. The school will be incorporating photographs of our students in these displays. Our Staff and students are also extremely active in the island community and may be photographed and/or interviewed during school sponsored activities. We would like to be sensitive to the wishes of our parents and ask that if you have any questions or objections regarding media exposure, that you notify the CIA staff as soon as possible.

Sincerely,
Tom Brownhill
Principal
